Frequently Asked Questions (FAQs)

Frequently Asked Questions

- Attempting the e-course / e-assessment

1. Why do I need to provide full NRIC / FIN no, Mobile no, Photo, etc. when registering?

- a. Mandatory information is required to setup individual User profile (Name and NRIC / FIN as per NRIC/WP, Mobile no., Company name and valid photo).
- b. All mandatory information must be accurate and will be reflected in your training records and/or e-certificate.
- c. By submitting the registration form, you have given consent for the collection and use of data for the purpose of training record and issuance of e-certificate.

ASPRI-IPI is SSG / MOM accredited public training provider, the collection of personal data for the purpose of training record and issuance of certificate is in accordance to PDPA 2012, 2nd schedule <Additional base for collection, use and disclosure of Personal data without consent> clause 1-(1)b and (2).

2. My company name is not listed in the company dropdown box?

IPI Econnect II is developed by ASPRI-IPI exclusively for ASPRI member companies. If your company is not under the PCM companies, you are required to seek approval to be included in the pre-approved company list, pls write to enquiries@ipi.org.sg

Frequently Asked Questions

- Attempting the e-course / e-assessment

3. I am registered in the system to my company but I have been sub-contracted to another company for a short project - what do I do?

We advise to get the sub-con registered under the approved company list (if approved by Client). Otherwise the sub-con can tag under the main-con but do note that all e-cert and physical safety pass issued will reflect the main con's company name.

4. Will my account have an expiry or be locked after inactivity for some time?

The access to the specific plant course approved will be block after the expiry (1 or 2 months depending on Client specification), but access to the IPI eConnect platform is still valid for other functions. (i.e., User account still valid but the specific course approved, each has its course access validity period).

5. I am the Company Admin, what can I do using the company login account?

Company admin will log into the same portal with the selection of "Corporate Account Administrator". The admin will have the function to perform bulk registration, payment (for other public courses) and view the employees' training records under the company. <https://ipieconnect.trainingsystemsg.com/TMS>

Frequently Asked Questions

- Attempting the e-course / e-assessment

6. When reviewing the training material, can I skip or speed up?

- a. No. You must finish the content and attempt the short quizzes (with the correct inputs), before the system allows you to proceed to the next topic. Once you completed reviewing all the training content, you are then allowed to attempt the assessment which will be graded.
- b. In the process, if you log out suddenly or dropped from the e-course due to poor internet connectivity, the system will continue from the topic you last viewed. For quizzes and assessment, you will need to re-attempt. Please ensure stable internet connectivity throughout the whole review.

7. How many times can I attempt the assessment?

- a. For **SHELL SJI EOG2 TA2024 Courses**, you are allowed to attempt twice (2x) before the system logs out automatically and your course attendance is suspended.
- b. Re-attempts is subjected to SHELL HSSE approval, please write to enquiries@ipi.org.sg and provide your Shell sponsor details in your email.

Frequently Asked Questions

– Editing User Profile details

8. I want to change my User Profile (i.e., Name, NRIC /FIN, Company, Photo, Mobile Number, etc.)?

For fields that are editable, go to the “Profile” to edit the information. The system will notify the administrator to verify in the system. For fields that are uneditable, please write to enquiries@ipi.org.sg and provide the updated details with supporting documents in your email.

9. My old mobile number has been given to my friend. Can he change it to his profile?

No. The system tags to the individual’s unique mobile number and will be unable to change to another person profile. Any change in person details will result a change in all the previous training data and e-cert generated, affecting the integrity of the assessment result / e-cert.

10. I have created an account previously in IPI econnect however I am unable to log into IPI econnect II

For first time login to the new IPI econnect II, kindly use last 4 character of NRIC/FIN and 1111 as the default DDMM of date of birth (e.g:123A1111) and mobile number (e.g:98765432). After successful login for the first time, please amend to the correct date of birth and upload profile picture. If you experience any difficulty, please write to enquiries@ipi.org.sg

Frequently Asked Questions

– E-cert

11. Why am I unable to download my E-cert after I have completed the course?

- a. Completed mean you have viewed all course contents and attempted the quizzes and e-assessment. However, you may not have passed the minimum score.
- b. Once you have completed and assessed as competent (passed), an E-cert will be available immediately in **“My Registration”** for download.

12. Can ASPRI-IPI reproduce my E-cert to submit to my company?

No. The E-cert is unique and is only accessible by the individual user and it is recommended to save the screenshot on your device. ASPRI-IPI can only provide the training record.

13. I am registered to Company A and have resigned. Now I join Company B - what do I do? SIC valid or invalid?

You can write in to enquiries@ipi.org.sg to request an update of your User Profile to change to the new company name, provided that the new company is in the approved companies list. Supporting document (i.e., employment letter, Work Permit, or new company letter, etc.) will be required.

E-cert will auto update to the new company name for download once the change in User Profile is successful.

Frequently Asked Questions

– E-cert

14. I am unable to find my past training records and e-cert in IPI eConnect II?
